ABOUT BRILLIANT BOARDSM :

Brilliant BoardSM is a division of H. Marion Art Consulting Services; we have been serving the design needs of our clients since the early 1970's. The professional and creative staff at H. Marion Art Consulting understands that art, graphics and signage has an emotional component... an ability to transform an interior space and create a positive encounter. This understanding of the personal connection, combined with the potential for it to be life changing, is the core of H. Marion's philosophy. Every project has its own set of needs and its own personality; no set formula will transform a space or realize a vision.
