

Frameless Quick Change Patient Boards

100% non-ghosting, non-staining tempered glass writing surface; available in any size, portrait or landscape with no minimum order.

Back printed glass in white for a clean look or with custom graphics.

Double sided inserts are plastic so the entire board assembly is anti-microbial. Our in house graphics department will develop specific clinical prompts in any language. Unique room and phone numbers are available.

Frameless Quick Change Patient Boards

Edge mount standoffs available in 5 different finishes.

Concealed channels to support the removable two sided printed inserts.

Optional wall mount marker cup.
